From the Commodore....

Well March is thankfully coming to an end. Who would ever have thought our club would be closed down for something like a virus! This is a first for all of us. It seems like just yesterday our biggest fear was high water. I hope everyone is faring well and in good health. But the state of the club is at this point closed. The club is closed to all members until the crisis is over and the Governor tells us we can open back up. There will be board members at the club to maintain the club's integrity, control the water problems, and to keep it prepared to reopen when we are told to. Remember, the Board is the club management and they are doing their jobs. This is not a time to come up to the club. Anything that needs to be done will be handled by the board.

The Commodores Ball has been postponed until further notice. All rentals will be cancelled, and deposits refunded at the request of the member. The Board of Governors meeting may need to be handled differently depending upon the state of the club. Stay tuned for updates.

On another note, our condolences go out to Vice Commodore Ed Bolsendahl for the loss of his sister.

Sincerely, **Commodore Chris Malik**
Stay well and be safe!

Commodore, Chris Malik (586) 663-7152

From the Vice Commodore...

Greetings All;

Hope everyone is healthy and being proactive about this Coronavirus COV-19 pandemic. We will all get through this, but we all have to be vigilant and follow what the Health departments and governments request all of us to do. Staying away from each other.

The club is basically shut down. Shut down maintenance will continue, daily flushing of the beer taps and soda dispenser, adding ice to the men's urinal so that it does not plug up. Also keeping the ice machine working, this will help keep the ice machine from getting mold, and keep the ice fresh, these are just some of the maintenance

issues being address. Rest assured when we are able to open the club back up, the club will be clean and in great working order with all expired food removed and replaced. I am addressing maintenance issues that haven't been done because they would have affected the running of the club, issues like cleaning the seat upholstery on all the fabric chairs, painting the kitchen ceiling, cleaning all the shelves in the kitchen and all refrigerators, just to name a few things. When we do open the club back up, there will be a lot of opportunities to get your work hours in. As of now, the club is shut down following the Governor Executive Order. The tiki bar and fish station will stay winterized and will not be opened up until we are permitted too.

On a sad note, I want to thank everyone for their support, your thoughts and prayers with the loss of my older sister. I appreciate the outpouring. Thank You!! As we all deal with what is going on, we as a family will get thru all this. Be vigilant! Please stay away from each other, Boy! Did my house get really small!!! LOL. Stay healthy and take care!!

From the Rear Commodore ...

As March ends and April begins, praying that all are safe and remain safe during these trying times. I would like to thank ALL who helped for the St.Patrick's Day Party. With the pending crises, it wasn't a terrific turn-out, but those who attended had a great time! (At one time, there was a group of club members called the "Blue Hairs"! Well now we have the "Green Hairs!!!! You can see them on HPYC's Facebook page!) Many thanks to all who attended.

I am looking forward to a great party to celebrate our survival from this horrible situation we are experiencing.

Since the meeting for my appointment as Rear Commodore could not take place, so I am signing off as:

Renee Novak, Rear Commodore

Looking forward to better times at the Best Club on the Lake!!!!!! **586-556-7856**

From the fleet Captain.....

No article this month.

From the Past Commodore..

Greetings HPYC Members!

Coming out of March into April it's a different year than any year in the past. Barb and I hope all is well with you and families due to this COVID-19 virus.

All of the events from ABYA have been postponed until we get the green light from our Governor due to this virus.

Thanks for your continued support. Please stay safe and healthy. Looking forward to seeing you all at the best club on the lake when it reopens!

Past Commodore, Dave Wolanski
