From the Commodore....

Hello HPYC, I hope everyone enjoyed their Thanksgiving and had time to visit with family and friends. As members of HPYC we have a lot of things to be grateful for this year. Our current board has set the bar high with parties, renovations and producing some record financial numbers. Membership is at an all-time high but our improvement work is never done, so please keep this in mind when filling out your 2019 calendars.

December marks our clubs 60th Anniversary, we will be supplying food for the annual Xmas party so you can take a break and enjoy yourself. HPYC is also sponsoring a local family in need this year and would like to encourage the membership to give to someone less fortunate.

Lastly, work hours have been posted at the end of every month and it is the member's responsibility to fulfill club obligations since we are nearing the end **of the year. Thank you as always!**

Commodore, Jason Akers

From the Rear Commodore..

Well it's the end of the year and my time is up. I will be moving up to Vice Commodore and turning the job of Rear Commodore over to Eddie B. I would like to thank Laura and all the other members who have given me so much help. There are too many of you to list but you know who you are. It was a lot of work but lots of fun too. Next year will be a new experience with new responsibilities. I hope it will work out as well as this year did for me. With the same support as I had this year, I know next year will be a success as well. Hope to see everyone at the Christmas party this Saturday and I wish everyone a Merry Christmas and a Happy New Year!
