Thanks to Faye, Renee, Santa and all the HPYC Elves; the Kids Christmas party was a success, job well done. I hope everyone had an excellent time at our Adult Christmas Party, also Thanks Suzie & Liz for coordinating our HPYC Christmas Family and big thanks to those who brought donations for the Family. I am looking forward to my new position as Commodore, come on down and enjoy the Best Club on the Lake.

Commodore, Dave Wolanski

From the Vice Commodore..

Well it is 2019 and we have a new Commodore. Congratulations to Dave Wolinski! And thank you Jason Akers for the great job you did as Commodore in 2018. Coming into 2019 we can see that our club has weathered the storm of the economy of the past few years. Other clubs did not make it but they obviously did not have the support of our strong membership. We are now as strong as ever and it is time to reap the benefits of our efforts. As your new Vice Commodore, with help from the new board and membership, I would like to continue to keep this club on a strong financial track as well as make it a club we are all proud of. We will be continuing the flow of making updates to the club while keeping its integrity and history intact. So come on down and enjoy the club and lets pray for an early spring! Your new Vice Commodore, Chris Malik

From the Fleet Captain 2019

Hello fellow boaters and Happy New Year!

Thank you for everything you do to make this an awesome club...we truly have one of the best clubs on the lake! 2019 has the opportunity to be another great year as we continue to strive to make our club even better.

Personally, my summertime focus has been (and is) on spending as much time on the water as possible which will often take us away from the club (unless it's for one of our great HPYC events ;0). I look forward to serving as your HPYC Fleet Captain this year and spending more time with you both *around* the club and away, as we continue to spend as much time on the water, as possible.

Events...We're beginning to make contacts for some of the events that have gone over well in the past, as well as investigating a few new options. So, stay tuned and look for more details to begin coming out next *month*.

Waterway/lake info...I'll also make an effort each month to share some tidbits info. An interesting one I read recently (article in Boat US) is that although the laws have changed relative to the possession and use of Cannabis on land in many states, the laws on any body of water under federal jurisdiction (including our Great lakes) has not. So, just be aware and ensure your guests are also aware when you're out enjoying the water this summer. Jeff Nanni also mentioned that there could be changes coming to fishing regulations for 2019 (limits, etc)...so be sure to check the official regulations before bringing home the catch this season. Have fun and Stay Safe!

Fleet Captain, Dave Schankin

From the Past Commodore...

Happy New Year HPYC, Wishing our new Commodore Dave Wolanski and the 2019

Board of Governors a cohesive and productive year. I look forward to sharing with the membership updates from the ABYA meetings and assisting in any way possible at HPYC that may benefit the club. Our tradition of being and upholding the name the "best club on the lake" is a tall order and needs membership participation and cooperation from all to achieve. The information monitor located in the club will inform membership with upcoming events along with committee sign-up posting sheets. Thank you for your continued support.

P/C Jason Akers

Condolences...

Extending our sympathy and prayers to the family of PC, Tom Stummer, for the loss his wife Jean.

Article from Renee Novak

Children's Christmas Party Chairperson

Christmas 2018 has come and gone, but for the children who attended the Children's Christmas party, Christmas memories will live on forever! I would like to thank all the members who helped to make this such fun for the children...from set-up, cooking, clean-up, bar-tending, getting Santa's special throne, and of course, the "Big Guy", Santa, the head reindeer, and the sleigh with all the rest of the reindeer.

The children were so excited to see Santa's arrival.... their faces were priceless. One child was so excited when one reindeer called her grandma by name...She claimed, You really know a reindeer???

Another wanted to take his reindeer food out to feed them!

Again, thank you to everyone who helped make this a success! Couldn't have done it without all of your help. Thank you so very much.
