From the Commodore....

Happy New Years!!!! Here's to an awesome 2020! The first thing I would like to do as your new Commodore is to thank everyone for what they did for the club last year. It was an unusual year. We had some great events and lots of fun. But we had some difficult times with flooding and other unforeseen problems. Coming into the 2020 season will be a bit challenging without a Rear Commodore so we will be actively looking for members to band together and help us out with events. Flooding is something we cannot control but last year after trial and error we proved we can maintain it. We made ourselves the driest piece of property on South River Road. Ed has been preparing himself to take over as Vice Commodore. Please give him all the help he needs. The new 2020 calendar will be sent out to club members and each event will show if it needs a chairperson or who the chairperson is. It will also show if we need bartenders for that event. Miss Laura will be managing the calendar and updating it accordingly, so you know where help is needed. The current month and the following 2 months will always be posted on the video monitor at the club. So to start off the year, Euchre tournaments begin Sunday January 26th.
Sincerely, your new **Commodore, Chris Malik (586) 663-7152**

From the Vice Commodore...

Greetings ALL!!

As I write my last HPYC newsletter as a Rear Commodore for this great club, I hope everyone experienced a wonderful Christmas. And I wish everyone a healthy and safe New Year 2020!!!

As I reminisce this past year of 2019 as a Rear Commodore of HPYC, I am ecstatic of all the great accomplishments that the club achieved through out this year!! From removal of the arborvitaes and cleaning up / upgrade the west flower beds, to Floodwater

management, repair of Hot water problems, up-grade to all LED Lights ,inside / outside of the club , to the electrical and gutters on the pavilion, the installation of the ceramic tile to the bar area and the New LED Lights in the Kitchen area (WoW are they bright), and the ongoing installation of cameras inside and outside of the club, just to name a few projects that were accomplished this year alone at the club!! I want to thank All Members that participated in these accomplishments. Without your help these projects would have never been achieved. That is why it's so important that you put in your work hours and help. The Club shows for it!!!!

Looking back (still reminiscing) thru the past year as your Rear, I feel it was a great time! I've learned an awful lot; it was well worth my time and energy. The membership experience what I can achieve through my year as a Grounds Governor and as a Rear Commodore for HPYC. I really enjoyed this; time well spent! I want to thank everyone who gave me advise, and had my back, Thank You! I've said this before, I work and represent the members of the club for the improvement and enhancement of this great Club. I am always open for your thoughts and suggestions; I work for you. This is a great position; I highly suggest it - give it thought to run for Rear Commodore. It's a rewarding position.

Now, as I enter next year 2020 as the HPYC Vice Commodore, I look forward to working with everyone on the Board, I see important changes that need to be made, in the S.O.P's & By-laws, the integrity of the building , Docks and Grounds. Next year's 2020 upcoming possible flooding problems, working to keep the bar and building respectfully clean and with upgrades, these are just a few of my concerns. I cannot address these issues without the help of the board or the membership, I work for you!!

In closing, we need a Rear Commodore for 2020, the club will run a lot smoother, having this position filled, so give it a try, I will always help you out. I want to
