## ***From the Commodore....***

Hello HPYC, September was a great month for our club with nice weather and the start of football. I would like to thank all the board members who have chosen to move up or stay in their current position and welcome Dave Schankin and Jeff Berger to the 2019 BOG. Membership ideas and participation is the only way we progress and move forward. I highly encourage new and senior members to take an active role to help HPYC prosper and become what they are anticipating. New ideas coupled with traditions is what help keep events fun and profitable. October may not be a favorable month for boating or the end for some. HPYC will be busy with activities so please check our calendar for upcoming events.

***Commodore, Jason Akers***

The drink price list is posted next to the cash register.

**Just a reminder:** If you pour doubles, or make speciality drinks, pay accordingly. I would also like members to be mindful when making drinks, especially sweet drinks. I am still throwing a lot of cups away due to cranberry, and coke spillage. Members it is our responsibility to help keep the club clean for everyone.

We look forward to the membership making all of our events a success. We cannot have these events without your help and support. Club events and your involvement is how the club thrives.

If you have any questions regarding the bar or bar prices, please let me know.

## **From the Rear Commodore And the Fleet Captain**

Well September has come and gone. Labor Day was quite uneventful with the weather being iffy all week long. It was kind of a quiet wet month with kids going back to school and everyone getting ready for Fall. But October is now here. Football is back and what can we say.....Same ol' Lions! But we are loyal fans and looking forward to seeing members at the club on Saturdays and Sundays for college and Lions football. There will always be munchies and great conversation. Even if it is just a bunch of us yelling at the TV. On October 6<sup>th</sup> we have the Smoke On The Water BBQ with our guests Harbor Club North and South. And remember fishermen to sign up for our annual Perch Tournament on Friday October 12<sup>th</sup> to fish on Saturday October 13<sup>th</sup>. The following day on Sunday is Ladies Day from 1-5pm. And sad but true – it is already time for Fall cleanup scheduled for Saturday the 20<sup>th</sup>. Remember members this is a good time to get volunteer hours in and get the club ready for winter. And last but not least we will end the month with our 3<sup>rd</sup>

annual Halloween party. This has been a great event and can't wait to see everyone's costumes. See you all there on Saturday the 27<sup>th</sup>. Remember to check your email for flyers and information on upcoming events.

**Chris Malik – Rear Commodore**  
**Laura Allen – Fleet Captain**

Make it a great day!!

***From the Secretary.....***

If any member has an issue with their club key card, please let me know. If your key is lost, it is \$10.00 to replace it! NO EXCEPTIONS! You will not get your replacement without your money. I am also updating our computer with all the member's key card numbers. I already have an email sent out to the members who need to send me their key numbers. I have had a good response so far. For those who need I need to still hear from, please get with me before November 1st because I will be deactivating key cards. Also, if you plan on quitting the club, please return your key cards to the Board.
